TEXAS A&M ENGINEERING HIRING MULTIPLE FACULTY POSITIONS IN CYBERSECURITY

NOW HIRING TENURE TRACK ASSISTANT, ASSOCIATE OR FULL PROFESSOR

Recognizing the increasing need to advance cybersecurity, Texas A&M College of Engineering launched a major initiative to hire a significant number of faculty. Applications are being accepted for new faculty positions in all areas of cybersecurity, including computing, networks, infrastructure and future connected environments, which include healthcare, transportation, manufacturing systems and cyber physical systems.

Faculty will be placed with a tenure home in one of the departments within the college, primarily within the departments of Computer Science and Engineering www.cse.tamu.edu and Electrical and Computer Engineering www.ece.tamu.edu.

Applicants must have a Ph.D. in computer engineering, computer science or electrical engineering, or a closely related field. For specific questions about the position, contact cybersecurity-search@tamu.edu.

ABOUT TEXAS A&M UNIVERSITY

Texas A&M is located in the twin cities of Bryan and College Station, with a population of more than 175,000, and is conveniently located in a triangle formed by Dallas, Houston and Austin. Texas A&M has more than 55,000 graduate and undergraduate students enrolled. Research expenditures at Texas A&M total more than \$820 million annually, ranking in the top tier of universities nationwide. With an endowment valued at more than \$5 billion, the university ranks fourth among U.S. public universities and 10th overall. Texas A&M is aware that attracting and retaining exceptional faculty often depends on meeting the needs of two careers and having policies that contribute to work-life balance. For more information visit dof.tamu.edu/content/balancing-work-and-life.

With over 400 tenured/tenure-track faculty members and more than 13,900 students, the College of Engineering is one of the largest engineering schools in the country. The college is ranked seventh in graduate studies and eighth in undergraduate programs among public institutions by *U.S. News & World Report*. The college is also ranked 10th in the Academic Ranking of World Universities compiled by Shanghai Jiao Tong University. The American Society for Engineering Education ranks the College second in research expenditures.
