

Engineering Track

REQUIREMENTS FOR THE CYBERSECURITY MINOR - (CYBR)

The courses listed below constitute the 16 minimum hours required for a minor in Cybersecurity. The Engineering Track has 13 required hours and 3 elective hours.

Please select the courses you intend on taking and email completed form to cybersecurity@tamu.edu.

REQUIRED (13 hours)

<u>Courses</u>	<u>Required Courses</u>	<u>Hours</u>
CSCE 313	Introduction to Computer Systems	4
CSCE 315	Programming Studio	3
CSCE 410	Operating Systems	3
CSCE 465	Computer and Network Security	3

Elective (Pick one)

<u>Courses</u>	<u>Elective Courses</u>	<u>Hours</u>
CSCE 451	Software Reverse Engineering	3
CSCE 463	Networks and Distributed Processing	3
ECEN 424	Fundamentals of Networking	3

*** Please use the online form at cybersecurity.tamu.edu/undergraduate/ to apply for a pre-requisites waver. But, if the waver is not accepted, students must meet pre-requisites and/or co-requisites.**

Additional Requirements:

1. A minimum GPR of 2.5 is required when entering the minor field of study
2. Must obtain a "C" or better in each course
3. Must achieve an overall GPR of 2.5 in approved minor field of study coursework
4. A minimum of 6 hours must be at the 300-400 level

I, hereby request approval to acquire a minor field of study from the College of Engineering under the rules of the University.
